La Bête is a small, neighborhood restaurant, nestled in Seattle's Capitol Hill area. We combine old-world ideals and simplicity with modern esthetics and sensibilities.

The heart of our restaurant is the open kitchen, where guests can sit at the beautiful 22 foot natural slab bar and watch as our team prepares every delicious morsel that finds its way to your table.

We offer artisanal, hand-crafted cocktails, good music, and good company.

Now serving Fresh Juices throughout the week and Saturday & Sunday Brunch.
